SAVE! Up To 25% Off Regular Price

Under 2500 sq ft

Over 2500 sq ft

\$450.00

\$490.00

HUMIDIFY FOR COMFORT: Dry air is the cause of nose, throat and skin discomfort during the heating season.

HUMIDIFIER ADVANTAGES: Save energy - You feel warmer with moisture in the air, allowing a lower comfortable thermostat setting.

\$350.00

(Up to 10 Runs)

The EPA says if not properly maintained, components of forced air systems may become contaminated with particles of dust, pollen or other debris. When moisture is present, the potential for microbiological growth (mold), increases and spores from such growth may be released into the home's living space.
